Refined Application. Professional Results.

APPLICATION METHOD

Achieve your desired finish using a trowel, creating a refined and elegant textured surface.

APPLICATION PROCESS

- Apply the first layer on a properly prepared and primed surface
- Ensure smooth and even coverage without overlaps
- Allow the surface to fully dry before applying the second layer

CREATING THE FINISH

The final texture is developed through a controlled, artistic process

- Apply the second layer sparingly to reveal the pattern
- Use light, precise movements to shape the texture
- Vary the technique to achieve a unique visual effect

RESULT

A sophisticated decorative finish with depth, movement, and a refined, timeless character.
