Metallic Depth
Modern Sophistication

IInspired by texture, light, and contemporary interiors.

NOVA is a decorative interior wall finish inspired by traditional Italian craftsmanship and contemporary design. Its refined texture creates a beautiful interplay of depth, movement and tonal variation, bringing character and sophistication to any space.

The unique finish creates soft velvet-like effects that interact elegantly with natural and artificial light, making it an ideal choice for modern residential and commercial interiors.

FROM COLOUR SELECTION TO FINAL FINISH

SURFACE PREPARATION | FIRST LAYER | SECOND LAYER | BUILD TEXTURE | FINAL RESULT

Simple Application. Professional Results.

APPLICATION METHOD

Achieve your desired finish using a trowel, creating elegant metallic movement and depth throughout the surface.

APPLICATION PROCESS

- Apply the first layer on a properly prepared and primed surface
- Ensure smooth and even coverage
- Allow the surface to dry completely before applying the second layer

CREATING THE FINISH

The final decorative effect is created during the second layer.

- Apply a thin layer of material
- Use controlled artistic movements with the trowel
- Vary the pattern to create unique metallic reflections

RESULT

A luxurious decorative finish with depth, movement, and sophisticated metallic character.
